Please answer the following questions: (possible also by phone mention below)

1. Do you or your companion have contact with explosive materials/chemicals that might be explosive?
2. Did you or your companion receive a gift\other item for transferring?
3. Will you or your companion be carrying scientific equipment? (particles, powder, samples act') if yes – what is it and is it possible to pass it through the X-ray machines?
4. Arrival to Weizmann information :
 - When did you start your relocation to Weizmann, date :
 - Did you know\hear of your advisor before your relocation? If yes – how?
 - Did you contact your advisor for the position or vice versa?
 - Do you work only at Weizmann or also with other academic institute in Israel?
5. Mention places you visited in your free time in Israel:
 - Please include visits to Bethlehem, Ramallah, Jericho, Hebron & Nablus (Mention purpose of the visit, place, date, persons accompanying you & the hotel you stayed in. If none other than the Weizmann Institute, write “None”)
6. Have you or your companion crossed borders while you stayed in Israel? (If yes, detail – date, purpose, persons accompanying you & the hotel you stayed in).
7. What the person accompanying you is doing in Israel?
8. Do you and your companion have same flight details both ways?
9. Do you or your companion have other connections in Israel (business, private)?
10. Please mention personal contact information (office number in Weizmann, Israeli cell-phone/house number if exists) If none - contact will be made through e-mail if necessary.

Thank you for your cooperation,
Security Department
Weizmann Institute of Science
